

THE OLD THATCH INN
EST. BAR AND RESTAURANT 1832

Welcome to the Old Thatch Inn, where history, warmth, and community intertwine to create a truly special atmosphere.

Our story began in 1832 when our beloved inn first opened its doors. Nestled beside the renowned birthplace of the legendary poet Seamus Heaney in the heart of Castledawson, we've become more than just a traditional pub – we're a cherished piece of local heritage.

We are a family owned business passed from one generation to the next with the shared goal of dedicating and preserving the legacy of The Old Thatch Inn. From our thatched roof, old stone white walls to the open turf fire we offer a unique and traditional dining experience along with live music every weekend.

In 2012 we entered a new chapter with the addition of an extension to our original building, including the function room. This allowed us to welcome even more guests through our doors. This space has witnessed countless moments of joy, from family gatherings to lively parties, making it a heartwarming hub of celebrations.

We can proudly cater for every occasion. Whether its an engagement party, birthday bash, wedding celebrations, christening, confirmation or a corporate gathering, our team ensures your special day is perfect. We hope you enjoy your experience with us and look forward to welcoming you back again.

Thank you for visiting.
